SENATE BILL

No. 1057

Introduced by Senator Corbett

February 18, 2014

An act to add Section 60605.84 to the Education Code, relating to pupil curriculum.

LEGISLATIVE COUNSEL'S DIGEST

SB 1057, as amended, Corbett. Pupil curriculum: history-social science content standards.

Existing law required the State Board of Education, not later than November 1, 1998, to adopt statewide academically rigorous content standards in the core curriculum area of history-social science.

This bill would require the state board, on or before July 30, 2018, to adopt, reject, or modify history-social science content standards in accordance with specified procedures. The bill would require the Superintendent of Public Instruction to convene a group of history-social science experts, as specified, and, with input from the group, would require the Superintendent, on or before March 30, 2018, to recommend history-social science content standards to the state board. The bill would require the Superintendent and the state board, by October 1, 2018, to report certain information on the implementation of those standards to the Governor and appropriate policy and fiscal committees

of the Legislature. The bill would express legislative findings and declarations relating to history-social science content standards.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares all of the
2 following:

3 (a) In contrast to other subject areas, the state's 16-year-old
4 history-social science content standards were developed in 1998
5 and have failed to keep up with modern research and scholarship.

6 (b) There is nothing in current law that requires history-social
7 science content standards to be reviewed and updated.

8 (c) California has long been home to many diverse cultures. As
9 this diversity has grown, there is a greater need than ever before
10 for understanding the foundational ideas and philosophy of our
11 country and the world.

12 (d) California's current kindergarten to grade 12, inclusive,
13 history-social science textbooks contain outdated-and-inaccurate
14 information, and reflect negatively on members of several groups,
15 in violation of existing law. Hinduism, for instance, is portrayed
16 in an inequitable manner, and Hindus are depicted negatively and
17 as implicitly inferior to other religious groups that should be
18 updated to ensure that members of different groups, such as
19 Hindus, are portrayed accurately and equitably.

20 (e) Existing law prohibits the State Board of Education a
21 governing board of education from adopting any instructional
22 materials for use in schools that contain any matter reflecting
23 adversely upon persons on the basis of race or ethnicity, gender,
24 religion, disability, nationality, or sexual orientation.

25 (f) The history-social science content standards therefore must
26 be rectified revised to address concerns of accuracy, rigorous
27 scholarship, equality, diversity, and religious and cultural
28 sensitivity, and adherence to existing law. Furthermore, the
29 standards should be updated to ensure that they are consistent with
30 changes to other subjects in California's education system.

31 (g) It is the intent of the Legislature that the revised kindergarten
32 to grade 12, inclusive, history-social science content standards
33 must be equitable in their coverage and depiction of any world

1 religion, ethnicity, race, culture, nationality, gender, sexual
2 orientation, or disability status and that no group must be portrayed
3 negatively or as inferior based on any of these characteristics.

4 (h) It is the intent of the Legislature that the process to update
5 the kindergarten to grade 12, inclusive, history-social science
6 content standards be fair, transparent, and inclusive.

7 (i) It is the intent of the Legislature that the expert group created
8 pursuant to Senate Bill 1057 of the 2013–14 Regular Session must
9 take into consideration the diversity of the state, including groups
10 or individuals who represent the perspectives of all major religions,
11 ethnicities, races, cultures, genders, sexual orientations, and
12 disability statuses when revising the history-social science content
13 standards.

14 (j) It is the intent of the Legislature to establish a schedule and
15 process for the review and revision, as necessary, of the state's
16 history-social science content standards.

17 SEC. 2. Section 60605.84 is added to the Education Code,
18 immediately following Section 60605.8, to read:

19 60605.84. (a) The state board shall adopt history-social science
20 content standards pursuant to the following requirements:

22 shall convene a group of history-social science experts. The
23 Superintendent shall ensure that the members of the group include,
24 but are not limited to, individuals who are elementary and
25 secondary history-social science teachers, schoolsite principals,
26 school district or county office of education administrators, and
27 university professors. A majority of the group of experts convened
28 pursuant to this paragraph shall be individuals employed as
29 history-social science teachers.

30 (2) The group of experts convened pursuant to paragraph (1)
31 shall make a good faith effort to solicit and take into consideration
32 input from scholars of all major religious, ethnic, racial, and
33 cultural groups and individuals who represent the perspectives of
34 all major religious, ethnic, racial, and cultural groups, genders,
35 sexual orientations, and disability statuses.

36 (3) The Superintendent shall consider for inclusion in the
37 history-social science content standards all topics that are required
38 to be considered for inclusion pursuant to the provisions of this
39 code.

1 (4) The Superintendent, with input from the group convened
2 pursuant to paragraph (1), shall recommend history-social science
3 content standards for adoption to the state board.

5 meetings pursuant to the Bagley-Keene Open Meeting Act (Article
6 9 (commencing with Section 11120) of Chapter 1 of Part 1 of
7 Division 3 of Title 2 of the Government Code) in order for the
8 public to provide input on the history-social science content
9 standards that would be recommended pursuant to paragraph (4).

10 (6) The Superintendent shall present the recommended
11 history-social science content standards to the state board on or
12 before March 30, 2018.

13 (7) On or before July 30, 2018, the state board shall adopt, reject,
14 or modify the history-social science content standards presented
15 by the Superintendent.

16 (8) If the state board modifies the history-social science content
17 standards presented by the Superintendent, the state board shall
18 provide written reasons for its modifications in a public meeting.
19 The state board shall adopt its modifications to the history-social
20 science content standards at a subsequent public meeting held no
21 later than July 30, 2018. The public meetings required by this
22 paragraph shall be held pursuant to the Bagley-Keene Open
23 Meeting Act (Article 9 (commencing with Section 11120) of
24 Chapter 1 of Part 1 of Division 3 of Title 2 of the Government
25 Code).

26 (b) (1) On or before October 1, 2018, the Superintendent and
27 the state board shall present to the Governor and the appropriate
28 policy and fiscal committees of the Legislature a schedule and
29 implementation plan for integrating the history-social science
30 content standards adopted pursuant to this section into the state
31 educational system.

32 (2) The requirement for submitting the report required pursuant
33 to this subdivision is inoperative on October 1, 2022, pursuant to
34 Section 10231.5 of the Government Code.
